

MARINE SIGN SHOP

Bridge Height Gauge

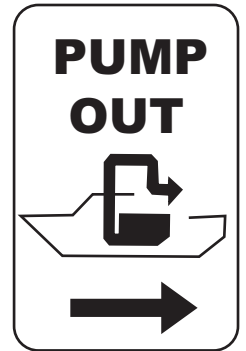

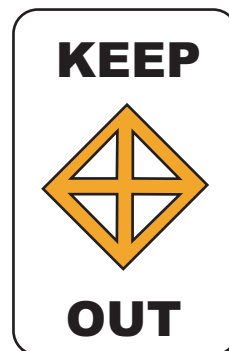

All our signs are custom made in-house to your specifications. Pick from our standards or design your own. All our signs are designed to last in the harsh marine environment. No order too big or too small. *Call today...*

3 ft x 3 ft USCG 1 nm Dayboard

Standard Sizes:

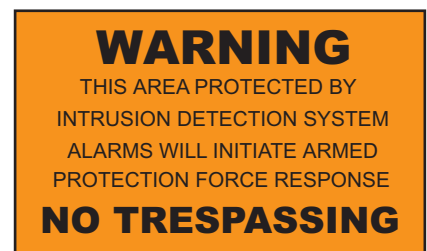

Many signs are produced on standard aluminum "blanks" in 18"x24" or 24"x36" sizes (many others avail.). These can be white or reflective white backgrounds and are usually quick to ship if the requirement is immediate.

Standard 18"x24" or 24"x36" Blanks Available

Custom Signs:

We fabricate custom signs in-house so unique requirements are not a problem. From custom sizes, shapes, and materials, we can solve your need and ship in a reasonable time frame. Please contact us to discuss your specific requirements so we can assist with layout and design. *Call today...*
